DOMICILIARY CARE
REDETERMINATION REPORT

INSTRUCTIONS: This report is prepared by the placement agency following a planned redetermination of need for Domiciliary Care or a change in the consumer's circumstances (moved, hospitalization, death, etc.). Make a copy of the report for the placement agency's records. The original is sent to the County Assistance Office. Fill in all identifying information. – Enter date the need for Domiciliary Care was redetermined. – Check appropriate blocks below. If Block #2 is checked, provide the date and check either block #2a, #2b, #2c, or #2d. Check Block #3 only if the individual moves from a Domiciliary Care home to either another Domiciliary Care or Personal Care Home and continues to need the State Supplement. – Complete placement agency information at the bottom of the form.
