**For seven household members, add \$4150 to \$32580 (100% poverty level for six household members) and use \$7346 (20 % income increment) to calculate the other income ranges.

***For households with eight or more household members, add \$4160 to \$36730 (100% poverty level for seven household members) and then add \$4160 for each additional household member to calculate the other income ranges.
