There is a limit of one (1) application per SCC or group of collaborating SCCs. The ESA system will not allow incomplete applications to be submitted or applications to be submitted after the deadline. Applications and required documents will not be considered if submitted to the Department via other means, such as email.

D. AAA Letter of Support Form

All applicants are required to secure a letter of support from the AAA overseeing the applicant's planning and service area. Applicants shall use the **AAA Letter of Support Form** template developed by the Department to fulfill this requirement.

The **AAA Letter of Support Form** shall be completed by the AAA and submitted electronically as part of the grant application.
