PCoA Priorities

Diversify the Council Membership

- It is critical to its mission that the PCoA reflects the diversity of older adults across the Commonwealth

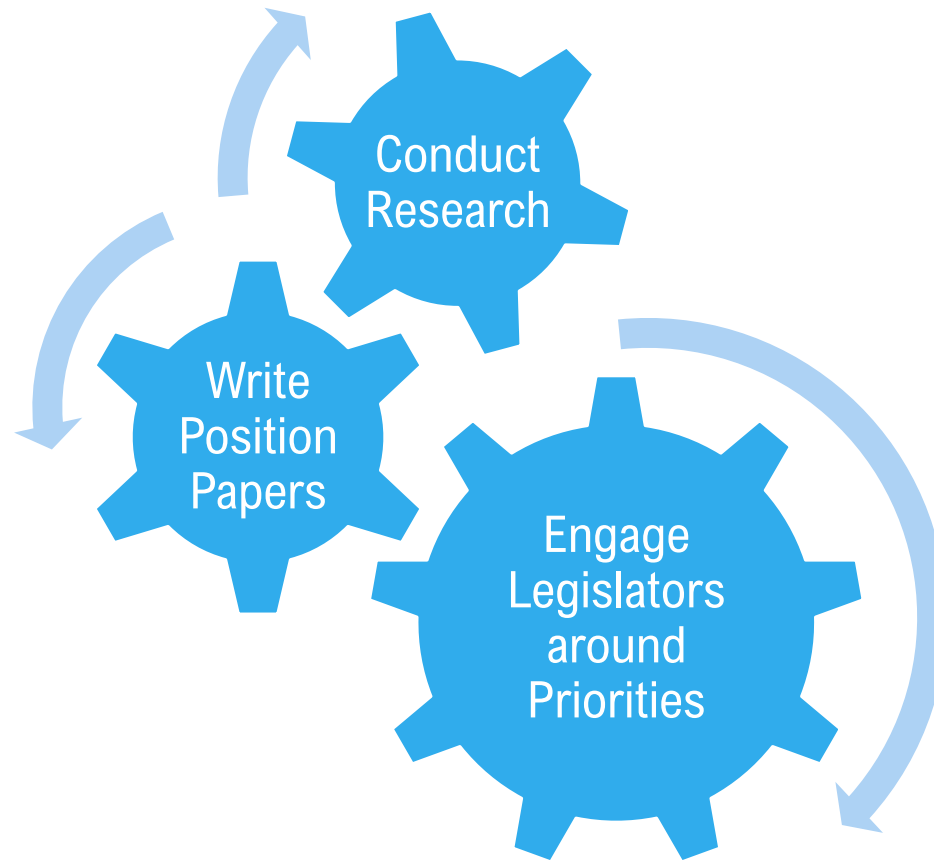

Address Social Isolation of Older Adults

- The PCoA is evaluating programming that addresses social isolation
- Consistent metrics used to evaluate
- Goal of 40 programs evaluated by Sept 31, 2019

Combat Abuse of Older Adults

- The PCoA is interested in supporting legislation that will better protect older adults
- The PCoA is well-educated around Protective Services programming, both by PDA, AAAs and the community
